

## Fluff & Stuff Machine Quilting with Paula Reid

Is that stack of quilt tops getting higher and higher? Have you always wanted to take your machine quilting skills beyond the “ditch”? Do you want to learn free motion quilting? Have you seen Paula demonstrating machine quilting on Simply Quilts and wished the episode was longer?

Now you can learn the basics and more in this class as Paula walks you through batting choices, the types of needles and thread, how to pin baste correctly, choosing stencils, quilting, and moving those BIG quilts through a standard size home sewing machine. “Fluff & Stuff” is what Paula calls her method for moving large quilts through a home machine.

Paula quilts approximately 100 quilts a year for her customers. About 75% of those quilts are at least double bed size. She uses her Fluff & Stuff method to move those big quilts through the machine and she will show you how to start Fluffing & Stuffing too! **According to Paula, this is an excellent class for beginning machine quilters!** If you have been intimidated by doing a large quilt on your sewing machine, then this is the class for you.

**Bernina Sewing & Design Center** will be offering a 2 Day Workshop with Paula Reid. She will be teaching her **Fluff & Stuff Machine Quilting Techniques**. This workshop includes Lecture/Demo as well as hands on experience. **The class is Oct 13 & 14, 2011 from 9:30am-4pm both days. The class fee is \$130.00.** Class size is limited to 18, so sign up now.
